Forward-Looking Statements

Risks Associated with Forward-Looking Statements Included in this presentation:

This presentation contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, which are intended to be covered by the safe harbors created thereby. Forward-looking statements include statements which are predictive in nature, which depend upon or refer to future events or conditions, or which include words such as “expect,” “anticipate,” “intend,” “plan,” “believe,” “estimate” or similar expressions. These statements include the plans and objectives of management for future operations, including plans and objectives relating to future growth of our business activities and availability of funds. Statements regarding the following subjects are forward-looking by their nature:

- our business and growth strategies;
- our performance goals;
- our projected financial condition and operating results;
- our understanding of our competition;
- industry and market trends;
- the impact of technology on our products, operations and business; and
- any other statements or assumptions that are not historical facts.

The forward-looking statements included in this presentation are based on current expectations that involve numerous risks and uncertainties. Assumptions relating to these forward-looking statements involve judgments with respect to, among other things, future economic, competitive and market conditions, legislative initiatives, regulatory framework, weather-related events and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond our control. Although we believe that the assumptions underlying these forward-looking statements are reasonable, any of the assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this presentation will prove to be accurate. In light of the significant uncertainties inherent in these forward-looking statements, the inclusion of such information should not be regarded as a representation that our objectives and plans will be achieved.

More information about forward-looking statements and the risk factors associated with our company are included in our annual, quarterly and other reports filed with the Securities and Exchange Commission. The Company does not undertake to update the forward-looking statements to reflect the impact of circumstances or events that may arise after the date of the forward-looking statements.

Strategic Focus

UNDERWRITING STRATEGY

Disciplined Underwriting Strategy in Specialty Niche Market Segments.

- Underserved markets – limited competition
- Highly customized products to meet unique needs of insureds
- Low price sensitivity
- Mostly low-severity and/or short-tailed exposures
- Underwriting expertise critical: Underwriters have an average of 15 years of experience
- Underwriters' bonuses based on underwriting performance—emphasizes bottom-line profitability over top-line growth
- Sustain strong, consistent underwriting performance
- Reinsurance used to reduce operating volatility and to protect shareholders capital

INVESTMENT STRATEGY

Hallmark views Investment Operations as a Core Competency. Hallmark has achieved above average results and expense savings through internal management of its investments.

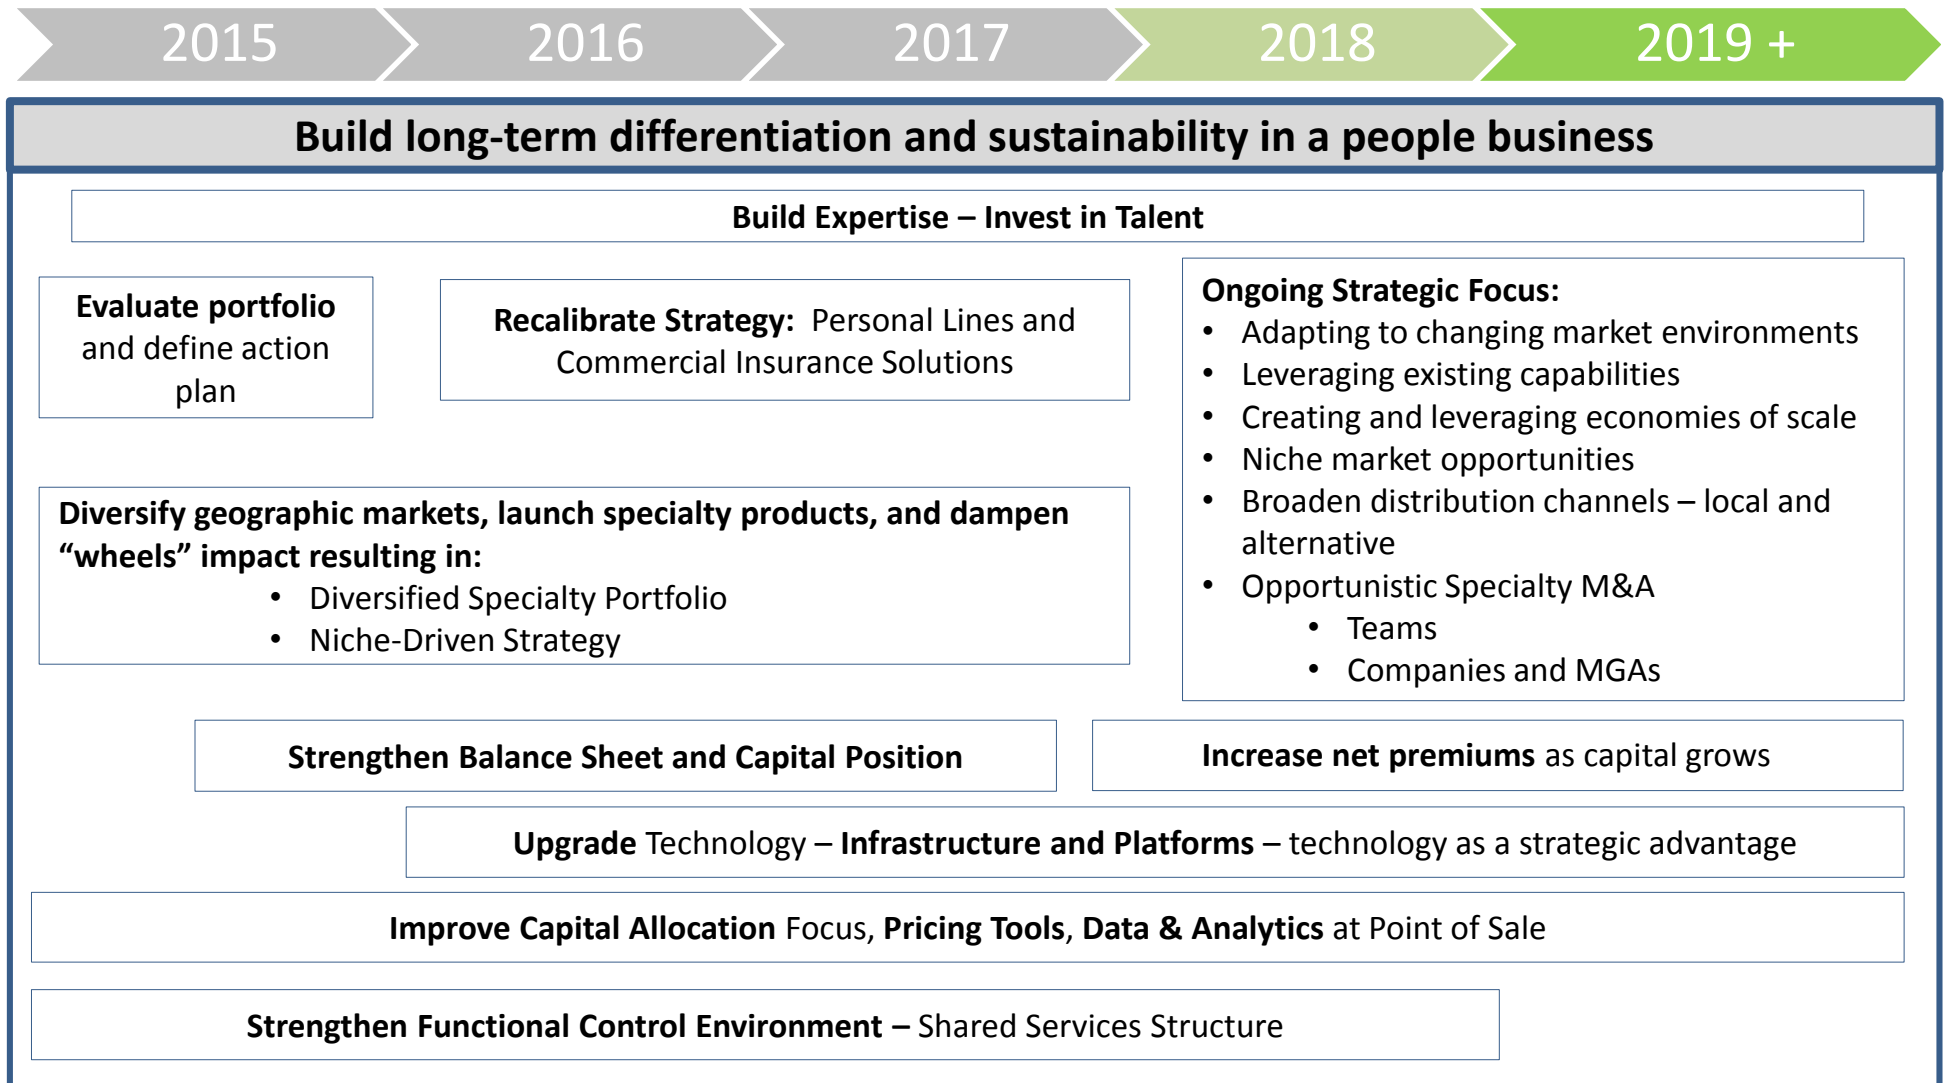

- Employ a disciplined, value based investment strategy
- Investment process focuses on individual security selection
- Seek to outperform market benchmarks on average vs. consistently beating the market every year
- Total return approach values all components of investment return equally, whether reported as interest and dividends on the income statements or recognized as comprehensive income on the balance sheet
- Seek to maximize total return on an after tax basis through investment in tax-exempt securities and compounding of unrealized gains

Strategic Initiatives

- **Investment in Talent**
- **Develop and Diversify Specialty Product Offerings**
- **Refocus Strategy for Standard Commercial P&C and Personal Lines Segments**
- **Grow and Diversify Geographic Reach**
- **Deepen Key Distribution Relationships**
- **Technology Upgrades**
- **Sharpen Pricing Tools and Capital Allocation Focus**
- **Improve Data and Analytics at the Point of Sale (POS)**
- **Strengthen Our Control Environment**
 - Claims, Operations, IT, Actuarial Departments
- **Engage External Capital Providers to support Product Expansion**

Combined Ratio	93.1%	88.2%	96.3%	110.5%

Contract Binding Characteristics

- Focuses on difficult to place accounts, primarily commercial auto, surplus lines general liability, package, supported excess umbrella and energy service contractors
- Prior year development driven by significant increase in underlying frequency and severity in commercial auto
- Diversifying with small E&S package business with launch of **HFSxpress** platform
- Business is derived from binding contract MGA's and wholesale brokers in 24 states with Texas accounting for significant amount of the premium

Strategic Plan in Action

- Aggressively addressing elevated frequency, severity and litigation trends in commercial auto
- 18 points of impact from prior year development
- Exited 2 states due to price inadequacy
- Increased rates on all segments of commercial auto over the last 2 years and culled underperforming accounts and brokers
- Re-tooled claims operations to effect total claim outcome
- Developed our Package binding authority business to balance portfolio...**HFSxpress**
- New Platform launched with significant improvement in user experience
- New leadership in place

Combined Ratio	101.9%	98.1%	95.7%	97.9%*

State expansion, along with broader distribution for targeted classes offers opportunity for profitable growth

* 5.5 points of CAT loss impact primarily from Hurricane Harvey.

Standard Commercial Characteristics

- Targeted, industry-focused property and casualty commercial insurance products to targeted small and medium-sized businesses
- Coverage is offered on Commercial Package Policy (CPP) or Business Owners Policy (BOP) forms
- Coverage includes general liability, property, auto, crime, inland marine, EPLI and cyber liability with industry specific solutions

Strategic plan in Action:

- Experienced leadership in place to develop the portfolio
- Narrowed focus from a “generalist” to a “specialist”
- Sold WC renewal rights and put Occupational Accident business in run-off
- Revamped Underwriting guidelines and significantly improved catastrophe management
- New technology platform implemented
- Recent expansion into a new state and others to follow
- Targeted agents in each territory, rationally expanding distribution
- New industry focused products being developed and launched by region

Specialty Personal Lines

Specialty Personal Lines	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>
Gross Written	\$63,992	\$81,281	\$83,272	\$61,214

Combined Ratio	107.0%	107.6%	120.2%	113.3%

Specialty Personal Lines Characteristics

- Personal Lines segment loss ratios improved by 31.5 points for the quarter and 14.7 points for year to date as compared to prior year periods.
- The expense ratio increased due to premium volume reduction, but we expect that to come in line over the course of 2018
- Focused distribution with industry specialists, consistent with Hallmark's niche strategy
- Provides minimum or financial responsibility limits for non-standard auto risks and companion renters coverage

Strategic plan in Action:

- Narrowed focus from 33 States to current territory of 10 which offer sustained profitability and growth
- Put Homeowners, Dwelling and motorcycle/RV business in run off in 2014
- Seeing improvement from new platform launched in 2016 to support better underwriting decisions and pricing segmentation
- Significant rate increases taken and now being earned
- Improving mix of business is driving improved persistency
- Revamped claims organization and processes to drive better total claim outcome is having the expected impact
- Bent the curve on rising frequency and severity

Investment Overview

HALLMARK

Investment Portfolio

As of December 31, 2017
(*\$ in millions*)

Total Cash & Investments of \$729 million, or approximately \$40.12 per share.

- Investment portfolio of \$661 million
- 8% invested in equities
- Annualized tax equivalent yield of approximately 2.9%
- Weighted-average duration of 1.6 years
- Weighted-average credit rating of “BBB+”

Key Characteristics of Hallmark Investment Portfolio

- Hallmark portfolio has significant liquidity
- \$128 million total cash and near cash:
 - \$68 million cash and cash equivalents
 - \$49 million short-term U.S. Government Treasury securities (cash substitute)
 - \$11 million performing auction rate securities (cash substitute)
- Hallmark portfolio has very short duration
 - Weighted average duration of 1.6 years
 - \$105 million forecasted portfolio maturities, redemptions and interest payments in the next 12 months
 - Only \$56 million of maturities greater than 10 years – many of these have an expected maturity less than 10 years
- Hallmark portfolio book yield compares favorably to Bloomberg Barclays U.S. Aggregate Index, with significantly shorter duration
 - Tax equivalent Book yield 2.9% vs. 2.7% for Barclays
 - Weighted average duration of 1.6 vs. 6.0 for Barclays Aggregate
- During rising interest rate environment this shorter duration portfolio should outperform the benchmark U.S. Aggregate Index
- Remain underweight equity allocation
- Protecting the balance sheet has been a priority in recent years = short duration and lower equity exposure
- 2017 Net investment income increased 15% to \$18.9 million, an all-time high, following increases of 17% and 13% in 2016 and 2015

Transformed Specialty Insurer

- Striving to be a “Best in Class” specialty property /casualty insurer focused on underserved sectors in sustainable “niche” markets
- Specialty product and geographic diversification well underway
- Built book value even during soft markets
- Continue to focus on profitability by mitigating risk
- Disciplined expense management while investing in our infrastructure, technology and talent
- Reserve volatility has masked progress
- Earned rate increases and underwriting actions are having the expected impact
- Economic growth and tax change impact is favorable to Hallmark
- Established underlying performance combined with net premium growth in profitable specialty lines and investment returns will support much improved ROE as we move forward

Addendum

Management believes disclosing results for the current accident year excluding catastrophe losses provides useful information for users to evaluate the Company's underwriting performance.
